## TELLS NEEDS OF CITY TO COMMERCE BODY

### Mayor Duncan Also Tells of Possibilities of City

### DISCUSS LEE HIGHWAY

**Its Benefit to City Cited—Report of Dr. Jackson on Historical Sketch of City Made.**

The club rooms of the Chamber of Commerce had a capacity crowd last night when Kenneth W. Ogden called to order the monthly meeting of the civic bureau.

After interesting reports were read by the chairmen of committees disposing of routine business, the chairman introduced Mayor James M. Duncan, who delivered an instructive address about the needs and possibilities of the city. He convinced his audience that he was making a deep study of what can and should be accomplished as measured by the assets and revenues of the city. He stated that he wanted co-operation and was receiving it. He referred to the operation of the city gas plant at a loss during the past year and convincingly showed that most of the trouble with the quality of gas was due to the city not being able to get gas coal and other troubles were due to not having proper equipment. The mayor and light committee have recently visited large gas plants and after paying a compliment to the efforts and ability of C. W. Wattles, chairman of the committee on light, Mr. Duncan predicted that the quality and service of gas would be improved. Several human interest stories were told by the Mayor and in concluding he said that he hoped to soon get past the promising period and be able to report the accomplishment of some of the important things. At the conclusion of the meeting the mayor was offered a unanimous vote of thanks and confidence.

Attention was called to the resolution now before the city council asking for an appropriation for 1-2 of the interest on $500,000. which will be advanced by Fairfax County to the State for the immediate building of the permanent highway from Alexandria to the western boundary of Fairfax county, from thence the road will be continued by Loudoun, Fauquier, Clarke and Frederick Counties through the Valley of Virginia, becoming a part of the Robert E. Lee Memorial Highway. It was stated that the interest asked of the city would not represent the cost of constructing one and one-half miles of the highway. Its advantages for bringing produce from rich farming sections, apples from the Valley of Virginia, grain from the wheat fields of northern Virginia and other commodities would do much to restore the prestige of this city as a deep water port. The construction of this proposed road means added communication with northern Virginia and is as desirable and essential as the industrial development of the city.

Rev. Dr. E. B. Jackson, chairman of the committee to write an historical sketch of the city, to be published by the Chamber of Commerce and circulated throughout the United States, presented his report. He suggested that the title of the book be, "The Romance of Historical Alexandria" and as he unfolded the interesting data collected his hearers agreed that there was romance strange and interesting even to those knowing part of the story. Dr. Jackson has had the co-operation of many men and women who have collected manuscripts and historical data. He mentioned many of these and expressed his appreciation for their services. In the first chapter the founding of the "Royal City", the streets were named to magnify royalty. The story tells of King George's marshes in the north eastern section of the city, named for the King because of his refusal to have them drained, of the Presbyterian Church yard in the south western section of the city, which might well be referred to as the West minster Abbey of Alexandria, because of the burial there of many prominent persons of colonial times. The Carlyle House, Christ Church, George Washington, James Mason, Lee, Fairfax, John Paul Jones, Patrick Henry, and other names and places of historical interest have their places in the gripping romance fo historical Alexandria. Copies of manuscript presented will be sent to the collaborators for final revision.

## AMENDMENT TO STATE CONSTITUTION

### League of Women Voters Discuss Measure to be Voted on in November

### WANT WOMEN AT POLL

**Executive Committee to Urge Registration—Another Meeting to be Held October 25.**

A meeting of the League of Women Voters was held last night at the home of the chairman, Miss Rose M. MacDonald, with a large attendance.

A number of matters were discussed, the main topic being the proposed amendments to the Constitution and the importance of the women voters familiarizing themselves with these amendments before going to the polls. All understand that the President of the United States is to be elected, also a congressman from this district, but the following amendments are of paramount importance to every tax paper, man or woman:

"Strike out from the Constitution of Virginia, section one hundred and thirty-three of article nine, which is in the following words:

Section 133. Each magisterial district shall constitute a separate school district, unless otherwise provided by law. In each school district there shall be three trustees selected, in the manner and for the term of office prescribed by law.

And insert in lieu thereof the following.

Section 133. Each magisterial district shall constitute a separate school district unless otherwise provided by law. In each school district there shall be not more than three trustees selected, in the manner and for the term of office prescribed by law.

Men and women may serve as school trustees in said district, and in cities and in towns forming separate school districts.

Strike out from the Constitution of Virginia section one hundred and thirty-eight, which is in the following words:

Section 138. The General Assembly may, in its discretion, provide for the compulsory education of children between the ages of eight and twelve years, except such as are weak in body or mind, or can read and write, or are attending private school, or are excused for cause by the district school trustees.

And insert in lieu thereof the following:

Section 138. The General Assembly may, in its discretion provide for the compulsory education of children of school age.

Section 184. No debt shall be contracted by the state except to meet casual deficits in the revenue, to redeem a previous liability of the State, to suppress insurrection, repel invasion, or defend the State in time of war. (No scrip certificate or other evidence of State indebtedness shall be issued except for the transfer or redemption of stock previously issued, or for such debts as are expressly authorized in this Constitution.

And insert in lieu thereof the following.

Section 184. No debt shall be contracted by the State except to construct, or reconstruct, public roads, to meet casual deficits in the revenue, to redeem a previous liability of the State, to suppress insurrection, repel invasion, or defend the State in time of war. No scrip certificate or other evidence of State indebtedness shall be issued except for the transfer or redemption of stock previously issued, or for such debts as are expressly authorized in this Constitution."

The advisibility of having women representatives at the polls on election day was discussed and it was agreed to take this matter up with the men and arrange details.

The small number of women of the city who have paid their tax and registered was deplored, as it was hoped that the women would realize their responsibility as citizens in a more progressive manner.

An executive committee was named to urge registration and voting, composed of representative women from each ward, who have manifested an interest in the affairs of the state.

This committtee is as follows: First Ward, Mrs. Lydia R. Spofford, Miss Mary E. Carlin, Miss Lucy Graves, Miss Florence Evans, Mrs. M. L. Horner, Miss C. Breen and Mrs. Dwyer.

Second Ward, Miss Rose M. MacDonald, Mrs. C. W. Wattles, Miss Dora Lannon, Mrs. T. Marshall Jones, Miss Dora Taylor, Mrs. W. J. Morton, Mrs. Dudley, Miss Kathrin G. Uhler, and Mrs. Charles M. Shepperson.

Third Ward, Mrs. C. E. Nicol, Mrs. Gardner L. Boothe, Mrs. Charles Strauss, Mrs. N. S. Greenaway, Miss Katherine C. Waller, Miss Fanny Herbert and Mrs. J. A. Eggborn.

Fourth Ward, Mrs. Charles Bendheim, Mrs. George R. Hill, Miss Grigg, Mrs. T. C. Howard, Mrs. S. L. Monroe and Mrs. Albert Dreifus, Rosemont, Mrs. C. S. T. Burke and Miss Collins Jones.

The next meeting of the league will be held Monday, October 25, at the home of the chairman, at 609 Cameron street.

### COUNCIL TONIGHT

A joint session of the city council will be held tonight for the purpose of electing four school trustees and two police commissioners. The terms of the following school trustees expired: E. S. Leadbeater, first ward; Dr. Llewellyn Powell, second ward; James Bayne, third ward and Dr. S. B. Moore, fourth ward.

The terms of police commissioners Oscar Phillips of the first ward and John T. Sweeney of the fourth ward also have expired and they will be up for election.

## Registration Tonight

**All Women of the City Urged to Present Themselves at City Hall**

For the accommodation of the women of the city who desire to vote all of the officials who are needed in order to qualify them will be on hand in the city hall building from 7 until 9 o'clock tonight.

All women who desire to qualify and register are urged to come tonight to the city hall building. The officials will be on hand the same hours Thursday night.

Commissioner Callahan, who will assess the women, will be at his office and City Treasurer Thomas W. Robinson, to whom the capitation taxes of $1.50 is paid also will be at his office and the registrars from the four different wards will be on hand.

Everything possible is being done by the officials here to help the women register and inasmuch as October 2 will be the last day in which they can qualify and register all are urgently requested to come forward and register. After October 2 under the law it will be impossible to register

## Boys Break Windows

**Six Lads Smash Two Valued at $14 Each—Two to Pay Entire Cost**

Six small boys were charged with breaking two large windows in Lee school building, one being broken Saturday and the other Sunday. Superintendent of Schools W. H. Sweeney stated the windows were worth from $12 to $14 and the court divided the cost of one window between two of the boys arraigned and announced that a third who was not present would have to pay the cost of one.

## BIG EXPLOSION ROCKS IRISH TOWN

### Clash Between Soldiers and Civilians and Soldiers Wreck City

### PANIC IN BELFAST

**Countess Markievicz in Dublin—Black and Tan Police Carty Out Reprisals in County Meath**

Cork, Sept. 28.—A violent explosion shook this city about 2 o'clock yesterday morning. It was followed by the rattle of rifle fire in various parts of the business district.

When the townspeople ventured forth later in the morning, after the curfew had expired, they found the main thoroughfare, Patrick street, littered with glass, and the front of a large department store, which is said to employ a large number of young Sinn Feiners, completely wrecked as if by bombs.

Windows were smashed in the upper stories of almost every store in the vicinity.

At military headquarters it was said that a preliminary report showed there were no military patrols near the wrecked store at the time of the explosion, but that troops were hastened to the scene. They were fired on by snipers from the roof of the store according to the report, and the soldiers returned the fire with several volleys. A military guard has been stationed at the store.

It is understood the theory of both the military and police is that a bomb was placed in a show window from the inside, but this is controverted by the owner. A half-dozen employees sleeping upstairs in the rear of the premises were badly shaken, but so far as is known no one was hurt, either by the explosion or the subsequent fusillades. Intense excitement prevails throughout the city.

Belfast, Sept. 28.—The shooting by snipers and others which occurred in the centre of Belfast last night caused a panic among the crowds promenading on Royal avenue, the city's main artery, after church hours. The disturbance followed the shootings of Saturday night and early Sunday, in which one policeman was killed and two others were wounded, followed by the assassination of three civilians in reprisal by parties of masked men.

The opening incident of Sunday night's disorders occurred when snipers in side streets of the Sinn Fein quarters fired into North street, which crosses Royal avenue. A tram car on North street came into the line of fire and there was great alarm among the passengers who, with the driver, crouched on the floor until the car had turned into Royal avenue. The tram car traffic later had to be diverted to another route.

The rush from side streets caused the crowd in Royal avenue to swell to large proportions, and a stampede was created in this throng when volleys suddenly rang out, apparently from the Sinn Fein side streets at the top of North street, the firing rapidly increasing in volume. As the crowd raced along Royal avenue in wild disorder a number of shots were discharged in Rosemary street, which is on south side of the avenue, creating a panic about the Castle street junction, to most crowded spot in the city, from which all tram-car traffic starts.

Women rushed hither and thither in a frenzy, and there was a rush to seek shelter in the cars. A force of military was hurried to Rosemary street and the police took up a position at Royal avenue and North street. After these protective measures conditions quieted down.

Dublin, Sept. 28.—Countess Georgina Markievicz, Sinn Fein member of Parliament for St. Patrick's district of Dublin, whose recent whereabouts has been a mystery, arrived in Dublin today. It is stated the authorities have been seeking her for a long time.

The Countess' arrival coincided with the carrying out of raids by the police and military this forenoon.

London, Sept. 28.—Lord Mayor Terence MacSwiney, of Cork, passed another bad night at Brixton prison, and was in a very weak and exhausted condition this morning, said a bulletin issued by the Irish Self-Determination League. He had a little sleep before midnight, but none after that time. This is the forty-sixth day of his hunger strike.

### DEATH OF OLD RESIDENT

**John K. Brown Succumbs After Long Illness**

John K. Brown, eighty-five years old, a retired farmer, died at 2 o'clock this afternoon at the residence of his daughter Mrs. Charles J. Sullivan, 322 North Columbus street, after a long illness.

The deceased located in Alexandria about twenty years ago, having come here from Fairfax county. For a number of years he lived in Philadelphia where he was engaged in the wholesale tobacco business. Mr. Brown had a number of friends here who will regret to hear of his death. The deceased besides his daughter, Mrs. Sullivan is survived by two sisters, Mrs. Richard Waters of West Philadelphia and Mrs. Annie Tucker, Philadelphia. Three grand children and two great grand children.

He was a member of the Masonic fraternity of Georgetown and also a member of Kit Carson Post, G. A. R.

The funeral arrangements have not yet been completed.

## Mass Meeting

**Democrats Will Organize Cox, Roosevelt and Moore Club**

It is expected that there will be a large turnout of democrats of the city at the mass meeting which will be held at 8 o'clock tomorrow night in the opera house for the purpose of forming a Cox, Roosevelt and Moore Club. A well known speaker is expected to be on hand to address the gathering after which officers will be elected by the club and other arrangements made to get out a large democratic vote in the coming campaign.

Already considerable interest is manifested in the organization of the proposed club. A number of the officers of the club will be women. The women are invited to attend the meeting.

## Fine Of $85 Imposed

**John Wyatt Fined For Pistol, Resisting Officer, Failing to Have Auto Lights Burning**

A fine of $85 was imposed in the police court today in the case of John Wyatt, who was arrested Saturday night for an alleged violation of the traffic law. The court divided the fine into three parts, $50 for carrying a pistol, $25 for resisting Policeman Durrer and $10 for failing to have the lights on his machine burning.

Policeman Durrer testified that when he accosted Wyatt at King and Pitt streets Saturday night and got on the running board of the machine Wyatt instead of driving to the station house drove to Wyatt's home and later resisted and the officer said he found a gun on Wyatt's pocket and was compelled to strike Wyatt during the scuffle three times.

Wyatt on the other hand testified the policeman agreed to let him go home for the collateral. His reason for carrying a pistol was that he is employed in Arlington county and carries it in his machine for protection.

It also was testified that Wyatt had 109 yeast cakes in his machine. He told the court he intended to try and make some brew with the yeast cakes.

RICHMOND—Norma Talmadge.

With the papers filled with stories of divorce and separation, "Captivating Mary Carstairs," the National photoplay in which Norma Talmadge is starred and which is appearing at the Richmond Theatre, offers a very timely sidelight on the question. Carstairs is separated from his wife and his living daughter grows up in ignorance of his living. When the truth is revealed to her, her mother confesses the mistake, and the elderly couple are re-united.

## PLAN LADIES Y. W. C. A. SOCIAL CENTER

### Tentative Arrangements Provide For Varied Program

### TO TRAIN WORKERS

**Each Young Peoples Society of Different Church to Give Entertainments During Winter Months**

Alexandria is to have a social center if the plans of the Ladies' Auxiliary of the Y. M. C. A. materialize. At the best meeting yet held by the auxiliary at the Westminster Building last night it was decided to open for one evening a week some central place as a social center to minister to the social needs of the young people of the city.

The plans of the ladies were not entirely completed last evening as it was thought that the future might dictate more extended plans than might at first appear. But it was decided to begin at first with a real effort to meet the social needs of a central meeting place for the many young men and ladies of the city who deserve an opportunity to meet under congenial but proper surroundings.

It is thought that the first attempt at this unique social scheme will take place at the Westminster Building soon and the Christian Endeavor Society of the Second Presbyterian Church will be asked to stage the affair. A committee from the Ladies' Auxiliary composed of Miss Cora L. Cochran, Mrs. C. William Wattles, Miss Elizabeth Ramey and Mrs. Harry B. Caton will supervise the arrangements.

The plan is to ask each young people's society of the several churches of the city to take an evening in turn for the entire winter and it is intended to make the opportunity for service on the part of the societies also a training school for committee workers. It is agreed that the Ladies Auxiliary of the Association is composed of the leading community workers of the city, and these have consented to give the young people the benefit of their years of experience in public work.

When asked regarding the actual workings of the social center, Mrs. Harry B. Caton, president of the auxiliary said, "Our plans are by no means complete but are in the hands of competent women and I am sure that before the winter is over Alexandria will have one of the most complete social schemes of any city in the country. It is planned at first to ask the young peoples' societies to furnish the committees and talent for the work and the auxiliary will supervise and assist in any way possible to see that the very best is gotten out of the young people doing the work.

"The building will be opened in the afternoon—probably Saturday," continued Mrs. Caton, "and a program of games, music and other recreational features carried on until the supper hour when it is intended to serve a buffet lunch to which it is thought many families anxious to avoid getting another meal at home can be attracted. A popular program will probably be rendered during the meal hour and then the games and recreational features continued until late evening."

It is also understood that Mrs. Geo. R. Hill, a member of the auxiliary, has offered the use of her player piano for the winter and the secretary of the Y. M. C. A., who is a play specialist, has consented to attend to the recreational features which will include games of every sort both of the "active" and "rest" varieties.

## KEEP OUT THE UNDESIRABLE

California, as usual, is excited over the Japanese question. The Japs have been getting in with altogether too much ease, it seems. They settle down on land and become very efficient truck growers. But wherever they collect, they force out American citizens. To put it plainly, Californians do not like the habits of the Japs and do not want them around.

They have been carrying their troubles to Senator Harding, who in a diplomatic speech sympathized with them. He recognized that "the problem incident to racial differences must be accepted as one existing in fact and must be adequately met." He could not go into details, for the matter is one of delicacy which must be settled amicably with Japan.

In California it is the Jap question which alarms. In all this great Eastern section of the United States "radical differences" take a different form. Here it is the fear of the radical that counts. "No one can tranquilly contemplate the future of this Republic without an anxiety for abundant provision for admission to our shores of only the immigrant who can be assimolated and throughly imbued with the American spirit," said Senator Harding to his visitors from the Pacifc coast.

The steerages of vessels are crowded with men and women heading for this country. There are not enough ships to bring all who want to come. There is a tremendous waiting list. How many of these thousands that are pouring in every week can be assimilated and thoroughly imbued with the American spirit?" That is a serious question—a serious question. Large sections of Europe are breathing that poison gas of Bolshevist propaganda. From these sections come immigrants who cannot fail to have absorbed the pernicious and deadly doctrines.

When Congress comes together it should make a thorough investigation of the character of immigration as well as the efficiency of the immigration laws and of the manner in which they are enforced. There is no desire to keep out men who are in accord with American institutions, but our own safety demands that all others should be barred.

### Return of German Property Ridiculed

Washington, Sept. 28—Officials of the Alien Property Custodian's office today ridiculed the report from Brussels that the United States Government will soon return to Germans all property seized in America at the out break of war.

According to these officials this property cannot be returned without Congressional authority and as Congress does not convene until December no action toward its return can be taken before that time.

Seizure of all property owned by Germans in the United States was ordered by Congress immediately after the outbreak of war in the act known as the Trading with the Enemy Act.

### WILDERNESSES OF SNOW SHOW IN BIG FEATURE

Wildernesses of the snow are shown in "God's Country and the Woman," a story of the timberlands of the North by James Oliver Curwood, visualized by Vitagraph. Many animals, wild and partly tamed, appear in the rugged scenes. The picture will be shown at the Idle Hour Theatre on Saturday, October 2.

The wild setting is in keeping with the character of the story, which deals with the adventures of a woman who has sacrificed her own reputation for the sake of one she loved. William Duncan appears in the leading role.

## VIRGINIA NEWS

Winchester—A testator has no right to dispose of an estate contingent upon a beneficiary's personal opinions or religious belief, according to an opinion filed with a decree by Judge Frank B. Whiting in the Corporation Court, construing the will of Mrs. Anne E. McGuire, widow of Dr. Hugh McGuire, who died in 1879. A suit was brought to clear title to property now owned by her grandson, Dr. Hunter H. McGuire.

Onancock—Five fast seaplanes have been sold to the residents of Tangier Island by a representative of the Marine Air Transporation and Manufacturing Company. That so many planes should be disposed of in a community of 1,200 inhabitants in tself is extradordinary, but it is most remarkable when there is not an automobile nor even a carriage in this town with its Main street eight feet in width.

Charlottesville—John Armstrong Chaloner, of "The Merry Mills," rode into town yesterday, and delivered himself of an announcement to the effect that, having been unable to secure a Gotham theater for the purpose or reproducing his play, "Robbery Under Law," he journeyed to Los Angeles and completed preliminary arrangements for putting his creation on the screen with himself in the lead.

Richmond—M. J. W. Tunstall, of Centralia, Va., died at the St. Elizabeth Hospital yesterday at 7 P. M., as the result of burns in Centralia Saturday about 8 P. M. The funeral will be held from the home tomorrow at 2 P. M.

Petersburg—Walter Granger, special policeman at the Norfolk and Western depot, was taken into custody here on a charge of receiving stolen goods valued at $183 belonging to the Leonard Hardware Company. He was later bailed in the police court October 2.

## "Gets-It" For Hard or Soft Corns

**Satisfaction Guaranteed With This Corn Remover.**

Common sense tells anybody that the way to cure a corn is to remove it, cap and root—banish it entirely.

**Don't Doctor Your Corns. Let "Gets-It" Remove Them—Painlessly! Quickly!**

Not only hard corns and not only soft corns but every kind of corn surrenders to "Gets-It," the national corn remover. It takes weeks or months to grow a corn. It takes just a few seconds to stop its pain with two or three drops of "Gets-It." Quickly it loosens so you can peel it right off without the least twinge or hurt, and it is gone!

"Gets-It," the never failing, guaranteed, money-back corn remover, costs but a trifle at any drug store. Mfd. by E. Lawrence & Co., Chicago.

## Makes the Weak Strong

Aid Nature—use every means in your power to keep yourself and your family in good health. If you are not enjoying the good health that is your right, begin now to help yourself.

Munyon's Paw-Paw Tonic has been a standard remedy for many years for such as you. It is a stimulant that tones and invigorates. It is an alterative—it changes a tendency toward disease to a tendency toward health. Combined with correct living, wholesome food, fresh air and the refreshing sleep which is promoted by its use, you will laugh at your former weaknesses.

It brings new life to the nerves, stimulates digestion and corrects most forms of indigestion, stomach and liver troubles, dizziness, biliousness or sick headaches.

If you have been using dangerous and temporary stimulants, cast them aside and rely upon Paw-Paw Tonic. It will make you strong and well. It is a wonderful help to the weary housewife or the tired toiler. Keep Paw-Paw Tonic in the house, take it now and then and see how quickly it will refresh and invigorate.

Ask your druggist for Paw-Paw Tonic and be sure it is the genuine Paw-Paw Tonic prepared by the Munyon Homoeopathic Home Remedy Co., Philadelphia and Scranton, Pa.
